

Aviation Insure

You have checked the engines, avionics, and airframe, “signed off” the aircraft, but have you checked if YOU are covered in the event of something going wrong?

Blackmore Borley Limited has created Aviation Insure, an exclusive facility providing insurance to both licensed and non-licensed Aircraft Maintenance Engineers.

What is Covered

- Professional Indemnity £1,000,000 limit
- Employers' Liability £5,000,000 limit
- Public Liability £1,000,000 limit
- Tax Investigation Costs £25,000 limit
- Medical Cover available (on a family basis)
- Repatriation Insurance
- Cover available from £375 (app. £1 per day)
- Direct Debit facility

Employers' Liability (EL)

Employers' Liability is a statutory requirement for all companies irrespective of their size. A minimum of £5 million Employers' Liability cover is required. It is also a requirement to display the Employers' Liability certificate at the workplace, so it is visible to all employees. It is strongly advised to keep a detailed record of all Employers' Liability policies.

Summary of Cover

Professional Indemnity (PI)

Professional Indemnity covers you against claims arising from breach or alleged breach of your “duty of care” to a client and the resulting legal costs. Cover is provided for claims notified during the policy period for:

- A negligent act, error or omission
- A dishonest or fraudulent act
- A breach of trust
- Employee dishonesty
- Breach of confidentiality
- Loss of documents
- Libel/slander

Public Liability (PL)

All business owners and employers have a legal responsibility towards their employees, customers and the general public. PL covers a customer or a member of the public if they are or alleged to have been injured or the property is damaged, resulting from the negligence or breach of duty of an employee.
